Dear project partners,

I am Živilė Šatienė employee of Alytus Vocational Training Center responsible for implementation of project "International professional mastery competition "Balticskills" – chance to new life" activities.

Project implementation period 18 months from 01.10.2019 to 31.03.2021.

One of the project activities - at least 4 international meetings are planned during the project. In the application the first meeting is scheduled for 2019 in October. My suggestion is to stick to this date and organize the first working meeting in October, where we will discuss key aspects of the project.

I remind you that the first meeting is scheduled in Alytus, Lithuania.

I suggest that the first meeting of the project partners should take place no earlier than October 28, as the first meeting of the partners requires the preparation of a sufficient number of mandatory documents.

I remind you that the theme of the first partner meeting, "Professional masters competition in different countries, experience and organization".

Number of participants from each partner mainly 3 persons, these are the employees of your organization who are officially involved in the project activities (I remind me that the person officially assigned to the project has no obligation to pay).

Fixed costs for first meeting:

TARTU LINN, Estonia - 3 persons, each 575.00 EUR sum, total amount: 1725.00 EUR.

PIKC "Liepajas Valsts tehnikums", Latvia - 3 persons, each 575.00 EUR sum, total amount: 1725.00 EUR.
