Hello dear friends,

We have now got the final assessment for Cyber Clever- they liked it and approved the final report. We got a score of 90, which means it will be awarded a good practises badge from Erasmus+  
Spread the news inside and outside your organisations!

The materials will be available for download from website links the next 5 years, so continue spreading the news about the materials etc.

As for final payment it will most likely come sometime after mid september when we get the final payment from NA and can process it here.

Have a great summer

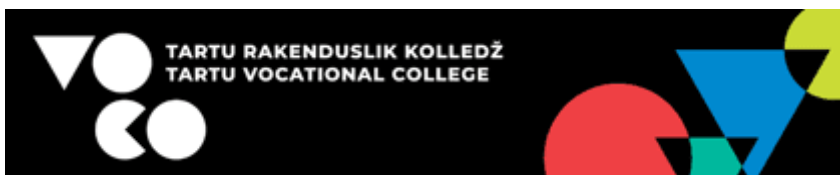

See attachment fro assessment sheet

Thomas
