Dear all,

I am delighted to inform you that the project ROCK THE GREENS HUB has been approved by the French National agency and has been awarded 82/100.

The budget has been completely approved : 261 611 €.

I will be back in touch once we have received the full grant agreement and to arrange a more detailed discussion on the project implementation and work plan. We will need to set dates for the kick-off taking place in Estonia.

Looking forward to working with you all and seeing you soon.

Kind regards.

Nadine Norgeot-Véron
