

Dear Applicant,

We wish you a happy and successful New Year!

Thank you for submitted documents and project application form of the Large Infrastructure Project ER-2 **"Economically and Environmentally Sustainable Lake Peipsi area 2" (Common Peipsi 2)**.

We are glad to inform you that during its 4<sup>th</sup> meeting the Joint Monitoring Committee of Estonia-Russia CBC Programme what was held in Pskov, Russia on 19-20 December 2017 your project application has been approved by the Programme. On 28 December 2017 the Managing Authority has submitted your project application for further evaluation to the European Commission.

We will keep you informed about feedback from the European Commission regarding the evaluation process.

Please ensure the availability of relevant information also for your project partners.

Best wishes,

Joint Technical Secretariat
