

Declaration of performance

Nr. 001492

1. Unique identification of product type: Lamp post steel-reinforced concrete foundations.
2. Type identification ID(s): P-0.8, P-1, P-1.3, P-2, P-3, P-4, P-5, P-2.2.
3. Intended use of the product: To be used as metal lamp post foundations.
4. Manufacturer's title and correspondence address: "M 4" Ltd, reg. Nr. LV 40002078294, Gaiziņa 9, Mārupe, Mārupe municipality, LV-2167.
5. Representative's name and contact address: Not applicable.
6. Performance evaluation and verification system: 3
7. Product harmonized standard: LVS EN 206-1.1.; LVS 156-1:2009
Approved by "TURSONS" Ltd, reg.Nr.40003010053,
building materials test laboratory.
Test report Nr.14/375-2; Nr.14/505.
8. European Technical Assessment (ETA): Not applicable.
9. Declared performance indexes:

Important characteristics	Operational properties	Harmonized technical specification
Compressive strength [MPa]	55.5	LVS 156-1:2009
Frost resistance, tested for XC4 and XF3 standards	F200	LVS 156-1:2009
Toxic substances	None	LVS 156-1:2009
Fire rating	Euroclass A1	LVS 156-1:2009
Reinforcement type	Frame type	LVS 156-1:2009
Reinforcement material	S235JR Steel	LVS 156-1:2009
Lamp post leveling	Screws M16 A2	ISO-4026
Concrete category	C35/45	LVS 156-1:2009

10. The performance of the product identified in points 1 and 2 is in conformity with the declared performance in point 9.

This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 4.
