Tere!

Saadan edasi lätlaste kirja positiivse otsusega projekti rahastamise kohta!
Manuses ka taotlus, eelarve ja ajakava.

Veronika, palun aktiveeri projekt GoPros ja loo kaust serveris.

Kaire, palun võtta projekti koordineerimist enda peale.

Tervitades,

Andrei.

Dear Liena!

Thank You very much!

I forward the information to the secretary for registration.

Tartu Vocational College is actually already 101 years old. But its fact, that our new name -Tartu Vocational College VOCO is only 2 years old :)

Before the school had different names, which were changed during different decades and historical periods.

Best regards,

Dear Liena!

Attached the filled form, hope, its OK?

Please You send me the short description of the project with the main aims and activities, the partners organisations involved in the project, the period of the project and the budget (total) and for Tartu VOCO.

I need the information to register the project in Tartu city projects data and for getting confirmation/permission from our local municipality (we are a municipality school). The permission to participate in the project has to be given before the submission of the application.

Best regards,

Dear Liena!

I got a positive answer from our college`s supporting services centre, so we will participate in the project!

Our main contact will be me and the experts who working for the projects:

Mrs Ksenia George (Head of Supporting Service centre) ksenia.george@voco.ee

Mrs Helen Johanson (Career Counsellor) helen.johanson@voco.ee

What will be our next steps?

Best regards

Dear Andrei,

Yes, we would like your partnership for the project.

Project goal: to create new tools and the manual for students including the students with learning difficulties to help them to find the more suited study direction and profession.

The main project results:

1. The digital test including the questions for students.
2. The board game with cards. It is necessary and useful for students and career consultant working face-to-face.
3. The manual - how to use the digital test and board game with cards as well answers regarding the career choice.
4. Piloting of the created digital test and board game with cards.
5. Dissemination of the digital test and board game with cards:.

Duration of the project: 15 month.

Total funding: 60 000 EUR

Would you like to participate in this small partnership project?

Please, give me the response by September 4.

Thanks in advance!

Have a nice day!

Dear Andrei,

My colleague Arita Osina also working in the project department gave your contact information.

We are writing new Erasmus+ small partnerships project "Tools and techniques for a better choice of the profession" proposal.

Question - do you have a career consultant at your VET school?

Have a nice day!
