Dear Andrei,

I would like to thank you and Raini for the great organisation of the meeting in Tartu. All participants reported very enthusiastically about the many new impressions and information. The company visit was also very well received.
Many thanks for the link with the photos.

Now to your questions:

- 1) The money for organisation / digital equipment (3600,00 Euro in total) was transferred to the account you mentioned.
- 2) The number of the project is: 2022-1-DE02-KA210-VET-000084786.
- 3) The duration is 12 months from 01.09.2022 to 01.09.2023 (small-scale project)
- 4) The total budget is 60000,00 €, pre-financing 48000,00 €.
- 5) The number of participants should be at least 3, if there are fewer participants from the other network partners, the number can be increased slightly.

I hope that I could answer all your questions.

Best regards to Tartu.

Brigitte
