Translation provided in English

Dear Andrei Atškasov,

This is an automatically generated notification from the Erasmus+ project management and reporting tool to inform you about the start of the interim amendment exercise for accredited mobility projects under call 2021.

According to the rules of Erasmus+ accredited mobility projects, you are able to make specific amendment requests after 12 months of implementation. These requests are made as part of the interim amendment exercise that has now been launched. You can submit your requests through the Erasmus+ project management and reporting tool (accessible at <https://webgate.ec.europa.eu/beneficiary-module/project/#/project-list>).

Participating in the interim exercise is entirely optional. If you do not wish to make any changes to your grant agreement, you do not need to do anything at this stage.

This is an automatically generated message from the Erasmus+ project management and reporting tool. Please do not reply.

CNS (Corporate Notification System)You can change your notification preferences [here](#).
