

Nordic Council of Ministers
Nordic-Baltic Mobility Programme for
Public Administration

25.09.2018 nr 19-2/VP-18-0156

Letter of recommendation

Tartu City Government Communal Services department is pleased to confirm that civil servants from the city should visit municipalities in Finland and Iceland to acquire and exchange the knowledge, information and experiences in the area of green growth, sustainable development, communal services, public transportation, municipalities reform and other actual topics. Study visits will take place in April and September 2019.

Sincerely
